

Meadow Point Residents

We are pleased to announce that Coastal Waste & Recycling will be the new waste and recycling collection provider in the Meadow Point Community, **effective October 2, 2023.**

We are pleased to partner with the community on an enhanced collection program. We will be switching your waste collection service method from rear load, manual collection, to automated sideload collection. Automated collection is more efficient, environmentally friendly, and most important, safer.

Manual collection can contribute to increased injury to collection workers who must get in and out of the trucks in the street, or ride on the back of the truck. This can be extremely dangerous for the worker and potentially for bystanders.

NEW RECYCLING & GARBAGE CARTS

Beginning the week of September 18, 2023, Coastal will begin delivering a 96-gallon waste container on wheels and a 64-gallon recycling container on wheels. Our delivery process is expected to take two weeks. Please be patient if your neighbors receive their carts and you do not receive yours right away. There is no charge for the new carts. If you determine you need an extra cart, it can be requested for a monthly fee of \$5.00 per cart. **Instructions for cart placement will be delivered with the new container.**

We will no longer pick up materials using personal trash cans beginning on October 2, 2023. If you would like your old cans collected, please leave them out **EMPTY** of materials at the curb as follows: Meadow Point 1 and 2 residents, cans will be removed on Saturday September 30th. Meadow Point 3 and 4 residents cans will be removed on Saturday October 7th. We will not be collecting carts or cans from other waste companies.

- Please bag all garbage to keep carts clean and odor-free. Please ensure all materials are inside the cart with the lid closed.
- Only Coastal carts will be collected. Resident-owned cans or containers **WILL NOT** be serviced.
- Any material left outside of the cart or placed on top of the cart **WILL NOT** be collected.

If you should have any questions, regarding the new cart delivery, additional carts, or extra pickup of material, please reach out to your customer service team at:

727-561-0360
